

Assistance with transport to venue from Leicester Railway Station

We are conscious that Loughborough is not always the most convenient for some rail travellers. We are proposing to run transport from the Belmont Hotel (LE1 7GR), a few minutes walk from Leicester City Station, on the morning of the event, at 8.30am for those that find Leicester station more easily accessible.

Transport from Leicester City to Loughborough will need to be requested in advance. Please let [Kay Smith](#) know if you or any of your colleagues would like to use this service by 30 August.
